Message from the CEO

Melbourne Royal is proud to present and congratulate the medal and trophy winners of the 2024 Melbourne Royal Australian Distilled Spirits Awards. Established in 2015 with just 115 entries, Melbourne Royal's Australian Distilled Spirits Awards are now proudly Australia's largest national spirits competition that celebrate innovation and excellence of Australian-manufactured spirits, liqueurs, aromatics and vermouths and an exciting new Ready to Serve category of cocktails and pre-mixes – which is reflective of industry growth and consumer trends.

It's with immense pride that we recently hosted more than 25 Australian distilling industry experts at Melbourne Showgrounds to judge more than 860 entries from 219 exhibitors across the nation in the 2024 Melbourne Royal Australian Distilled Spirits Awards. We are incredibly grateful for the judges led by Shaun Byrne and stewards who generously volunteered their valuable time to assist with judging the 2024 Melbourne Royal Australian Distilled Spirits Awards from 23-25 July.

Endorsed by the Australian Distillers Association, the Melbourne Royal Australian Distilled Spirits Awards offer distillers an invaluable opportunity to showcase their craftsmanship and innovation, while also receiving recognition and feedback from Australia's leading industry experts. I thank our Distilling Industry Advisory group represented by Sebastian Costello (Australian Distillers Association), Shaun Byrne (Maidenii and Cap & Bells), Sebastian Reaburn (Anther Distillery), Caroline Ashford (The Gin Queen), Luke McCarthy (Oz Whisky Review) and Julian White (Whisky & Alement) who assist us to advance these awards and provide even greater value to distillers.

Sincere congratulations are in order for all the winners of medals and trophies this year. We hope that your success at these Awards will help bring additional value and commercial success throughout the year and beyond. These awards would not be possible without the generous support from our highly valued partners including Agriculture Victoria and Vic Grown, trophy sponsors BevChain, Bintani, Cryer Malt, Plasdene Glass-Pak, Strangelove, and Studio Guild and industry support from the Australian Distillers Association.

Last but not least, thank you to all the talented exhibitors for supporting the 2024 Australian Distilled Spirits Awards. Once again, we are immensely grateful for the extraordinary support received from the distilled spirits industry, and I extend my best wishes to everyone for a year filled with distilling excellence and resounding success. Industry continue to innovate, grow and prosper.

Chief Executive Officer

Message from the *Head Judge*

First up I'd like to thank all those who volunteered their time to make these awards possible. Everyone from stewards to judges to the advisory panel, anyone who has donated their time, we certainly appreciate it.

The last 12 months in the industry have certainly presented many challenges for distilleries, the cost-of-living crisis seemingly leading to consumers trading down or abstaining altogether. Due to this, it was no surprise to see a small decline in entries this year.

However, a positive statistic is the number of new entrants to the awards. 64 exhibitors out of the 219 were first-time entrants, which certainly shows a strong uptick of boutique distilleries joining the stalwarts of old. I like to think these awards help both old and new distillers stimulate the domestic consumption of locally produced spirits.

The new Ready to Serve category was a success. Attracting 55 entries and countless requests from judges to be assigned to that tasting panel! Former Australian bartender of the year and panel chair Sebastian Reaburn said the category was 'impressive in its diversity and quality.'

The success of last year's splitting of New World / Contemporary Gin into subcategories went further by putting them into their classes, ensuring judges taste like with like and help define a benchmark in these new classes for new distillers.

On the sweeter side of life, a couple of new classes of Cello Liqueurs & Nut Liqueurs made their first appearance as both have grown quite substantially in the past few years. Barrel-Aged Vodka was also a new category that proved to be quite interesting. Walking a fine line between not enough and too much wood influence is quite the achievement.

Looking ahead to next year, here's hoping the industry picks up and Australian Distillers continue to make delightful drops that are loved the world over.

Lastly, a big thank you to the team at Melbourne Royal, their tireless efforts greatly support what is the best industry awards in Australia.

Shaun Byrne
