# Message from the *Chair*

The Melbourne Royal Beef Cattle Competition Committee is excited to welcome you back for 2024. The Melbourne Royal Beef Carcase Competition provides breeders, commercial producers and schools and colleges with the opportunity to network and benchmark the quality of their livestock in one of Australia's best-regarded competitions.

With more than 300 participants involved annually, the Beef Carcase Competition provides learning opportunities and industry insights into the science and skill required to breed cattle to suit the domestic and export markets.

I would like to thank our presenting partner JBS Australia for their support of the Beef Carcase Competition. The new specifications for this year's competition align to optimum carcass requirements of the majority buyer (processor/supermarket). Bodies any lighter than the minimum specification are suitable for butcher trade buyers, and unfortunately without an auction, these buyers are incredibly hard to attract. Butcher Trade also often comes with custom processing which can result in utilising various sites. With the updated specifications, all animals will be processed at the one facility, increasing consistency of feedback and data.

I extend my thanks to the 2024 judges for their commitment to the Beef Carcase Competition at the Melbourne Royal Show. They bring immeasurable levels of experience and knowledge, and it is an honour to have them join us.

I also want to thank the Committee members, Duncan Newcomen, Allen Snaith, Gary Turnham, Sam Nelson, Cindy Smith, Matt Cooney, Jo McLauchlan and Jess Sharp. They are extremely committed to the core values of competition and judging. The Committee keeps the exhibitor value and experience at the heart of what we do.

We know this is an annual opportunity to catch up with great friends and I invite you to join us at Australia's first ringside bar and meeting place. It is my favourite place at the Show, a chance to catch up, compare notes and share successes, and I would love to see you there.

We are all excited to bring you a fantastic Melbourne Royal Show. I look forward to hosting you and your families and friends in 2024.

# 2024 Melbourne Royal Beef Carcase Competition

## Supreme Sire Award

### SSA01 – THE WELLCOM SUPREME SIRE AWARD Supreme Sire Award – Recognising the Beef Industries 'Best of the Best'

The Supreme Sire Award provides an opportunity for exhibitors to display the commercial traits of their herd and be awarded for showcasing high quality beef genetics.

The \$10,000 award will be won if the same sire sires the Supreme Champion Beef Breed Exhibit and the Grand Champion Carcase. In any one year of the Melbourne Royal Show, the Grand Champion Carcase must be either entered, managed or bred by the exhibitor of the winning Supreme Champion Beef Breed Exhibit.

#### Regulations:

1. The exhibitor is responsible for notifying Melbourne Royal prior to the Show if they have animals entered in the Beef Cattle and Beef Carcase Competitions indicating the Sire that may be eligible for the Award.
2. The Sire must be a fully registered animal with the applicable breed society.
3. For the Grand Champion Carcase animal to be eligible to compete for the award, the animal must be either:
  - a. Entered and solely owned by the exhibitor who wins the Supreme Beef Breed Exhibit
  - b. Co-owned in a partnership with the exhibitor who wins the Supreme Beef Breed Exhibit
  - c. Entered by a School or College, with the exhibitor who wins the Supreme Beef Breed Exhibit listed as the original breeder of that animal

In all cases, the exhibitor **must be either listed as a co-owner or recognised as the original breeder upon entry into the Beef Carcase Competition.**

1. Melbourne Royal will collect either hair or blood samples from Beef Carcase Exhibit(s) that have been entered into the award at the Showgrounds. This sample will be stored until the results of the Beef Cattle Competition have been finalised.
2. At the conclusion of Beef Cattle Interbreed, if the Supreme Beef Breed Exhibit has been nominated as eligible for the Supreme Sire Award, Melbourne Royal will collect either hair or blood samples to be used for DNA validation of the award.
3. In the event that the award appears won, the winning exhibitor is responsible for providing a verified DNA sample of the nominated Sire and the Dam(s) of the winning animals after they have been announced the winner of the Supreme Beef Breed Exhibit and Grand Champion Carcase.
4. For sires that have already been DNA Profiled, exhibitor must provide Melbourne Royal permission to access the DNA profile if they own the profile, or arrange for the owning breed society to grant permission.
5. The Melbourne Royal will arrange for DNA testing of all samples.

6. Any animal which is deemed unable to be DNA referenced will be ineligible for the competition.
7. Melbourne Royal and associated DNA testing company will decide upon the validity of the DNA test.
8. The \$10,000 bursary will only be provided to the exhibitor of the Supreme Beef Breed Exhibit and Grand Champion Carcase at the conclusion of the DNA test results.
9. In the event of the award being won, Melbourne Royal will award prize money to the one winning exhibitor. The exhibitor who receives the Wellcom \$10,000 cash prize is at their own discretion, responsible for allocating funds to any third party involved in the breeding and preparation of the winning exhibits.
10. The \$10,000 bursary will remain in trust with the Melbourne Royal until such a time as it is won by an exhibitor.

In an effort to ensure the integrity of the competition, the above listed rules may be subject to change prior to the close of entries into the 2024 Competition.
