**MELBOURNE
ROYAL**
BEEF CATTLE
COMPETITION

Welcome from the *Chair*

The Melbourne Royal Beef Cattle Committee is excited to welcome you back for 2024. The Melbourne Royal Beef Cattle Competition provides breeders with the opportunity to showcase and benchmark their livestock in one of Australia's biggest and most prestigious cattle competitions.

And we are excited to say that it has grown in 2024.

This year we present to you the Ausmectin Youth Heifer Show. This is an event for young people aged 26 and under, giving them the opportunity to exhibit heifers in 3 Champion sections. A Borrowed heifers section, a 'Bought and owned heifer' section and a 'Bred and owned heifer' section. We are extremely grateful to the generous sponsors of this event. Entry is free, provided the heifer is entered in the main show. The Committee are unbelievably excited to host the heifer show and hope you can join us for what will be an outstanding occasion to celebrate young people enjoying the beef industry.

This year we once again welcome judges from all over this great country of ours, along with two International judges. We thank them for giving us their time, it is an honour to have them join us.

I also want to thank the Beef Cattle Committee members, Duncan Newcomen, Allen Snaith, Gary Turnham, Sam Nelson, Jess Sharp, Cindy Smith, Jo McLauchlan, Vanessa Wenn and Matt Cooney. They are all extremely committed to the core values of the competition and judging. The Committee keeps the exhibitor value and experience at the heart of what we do.

We know this is an annual opportunity to catch up with great friends and I invite you to join us at Australia's first ringside bar and meeting place. It is my favourite place at the Show, a chance to catch up, compare notes and share successes, and I would love to see you there.

Don't forget the All-Breeds Sale – this will be exclusive and open to the first 20 head that express interest.

Our pinnacle event, the Beef Cattle Interbreed, will be held on Saturday 5th October. Join us in celebrating the best of the best from the 2024 competition as we sash Supreme Beef Breed Exhibit.

We are all excited for another year of the fantastic Melbourne Royal Show. I look forward to hosting you and your family and friends in 2024.

Lastly the committee welcomes Sophie Blough as Melbourne Royal Livestock Manager.

Sophie has been with the organisation for some time and along with Taylor Blayney, will keep the committee on track to deliver a great Melbourne Royal Beef Cattle Show.

Important Information for Beef Cattle *Exhibitors*

Timetable

The timetable is subject to alteration and will be finalised once there is an indication of entry quantities for each breed.

Entry, Bedding, Locker Fees

Enter online at www.melbourneroyal.com.au/beef-cattle to save!

- \$80 per head entry fee (Melbourne Royal Members)
- \$135 per head entry fee (non-Members)
- \$12 bull scanning fee
- \$100 per head bedding fee
- \$100 per locker plus \$20 refundable key deposit. Refunds will be issued on return of key. Due to limited Accommodation Lockers, we reserve the right to limit allocation in an effort to accommodate all Exhibitors.

Truck Parking and Shuttle Bus

This year the Melbourne Royal will be running a free shuttle bus service between the truck and float carparks and the Livestock Pavilion during designated arrival and departure times as listed on the timetable. Truck Parking fee is \$85.00 the full competition.

Breedplan

Breed Societies who have accepted the use of Breedplan data are Angus and Hereford. Refer to the regulations of beef cattle competition for the details of the code of practice for the use of Breedplan data. Other Breed Societies wishing to utilise Breedplan in accordance with the code of practice are invited to contact Melbourne Royal.

Promotional Space

If there is sufficient space, Melbourne Royal shall make space available to those Breed Societies that apply, for the purpose of providing marketing and

educational material pertaining to that breed. These spaces will not be made available to individual studs. Only one space per breed will be granted and only if space permits. Melbourne Royal reserves the right to select the occupier of said space.

We invite Breed Societies and Associations to contact Melbourne Royal in relation to breed promotional material for the judging ring.

Catalogues

Catalogues can be downloaded free of charge from www.melbourneroyal.com.au/beef-cattle.

Please note no physical copies will be available at show for purchase.

Consolidation of Classes

In order to create competition, please be aware that classes may be amended, consolidated or cancelled. Refer to Section 9 of the Special Regulations of Beef Cattle Competition.

Johne's Disease Status

All exhibitors are advised to review changes to the Melbourne Royal Show Johnes Disease Management detailed in Section 5 of the Special Regulations of Beef Cattle Competition.

Changes to Australian Johne's Disease Management are explained in further detail on the Animal Health Australia website.

Pesti Virus

Please note that all Beef Cattle, Beef Carcase and Dairy Cattle Exhibits must be tested for Pestivirus (Bovine Viral Diarrhoea Virus) and certified as non PI (Persistently Infected). Exhibitors must provide a signed veterinary certificate or laboratory report, listing animals and their identification upon entry.

Important Information for Beef Cattle Exhibitors

Breed Representatives

Each Breed Society or association may nominate persons qualified to act as a breed representative for their breed. Melbourne Royal must approve and officially appoint the breed representative.

A Breed Representative's essential duties are to provide a link between Exhibitors and the Cattle Superintendent, and to inform Exhibitors at the direction of Melbourne Royal.

Sand in the Livestock Pavilion

Please note that sand will be placed on the pavilion floor to address cattle slipping. Please refrain from sweeping and removing the sand from the pavilion floor.

Calf Spaces

Due to space restrictions, spaces cannot be booked for calves at foot. Calf spaces will only be provided where space permits.

Sawdust Bedding For Cattle – Principles For Good Management

To achieve the best results from bedding cattle on sawdust, the following system of management is recommended:

- a) Pick up manure at every opportunity.
- b) Avoid water spillage in stalls.
- c) Regularly smooth out the bed with the aim of assisting drying.
- d) Consider using rubber matting for front half of bed.
- e) Do not dig out the wet patches.
- f) Do not disturb the bedding base.
- g) Keep the top of the bed loose.

Experience has shown that properly managed bedding will last a full Show with little need for top up bedding, particularly with some classes of livestock.

Tattoos and Inspections

The 2024 Melbourne Royal Show will see the strict enforcement of the special regulations. If no tattoo is present at the point of inspection the exhibit will be disqualified from taking any further part in the competition.

Clipping of Exhibits

A limited number of clipping frame spaces will be available, provided an application for space and a \$160 fee (GST inc.) accompanies entries.

All clipping frames must have secure flooring. Clipping frames must only be kept in their designated area. Failure to adhere to this rule will result in automatic removal of the clipping frame.

Clipping frame tags (distributed with exhibitor packs upon arrival) must be fixed to clipping frames for the duration of the Show. Any clipping frame not displaying a tag will be required to be removed.

Spraying of Hooves

Exhibitors are reminded not to spray cattle hooves on the concrete. If exhibitors are found to be spraying the hooves the costs of the cleaning will be passed onto the exhibitor.

Absence of Exhibit

Notwithstanding the relevant Special Regulations, exhibitors may withdraw exhibits provided that written notification is given to Melbourne Royal by 5:00pm on Friday 9 August 2024. The full bedding fee will be refunded for each head of cattle withdrawn in writing by this time.
