AGE OF EXHIBITS

The breeding year commences on the 1st August in each year.

HEIGHT OF EXHIBITS

115. Where height is stipulated the exhibit must be measured unless otherwise stated by the Society. All exhibits shall be measured at the highest point of the wither. An exhibit over or under the specified measurement shall be transferred to its appropriate class. The Society's duly appointed measurer will be in attendance on the Showgrounds at times determined by the Society.

All horses and ponies must be correctly bitted when being presented to the measurer.

116. When measuring an exhibit an allowance of 3/8" for shoes may be made by the measurer. The measurer may at his discretion request the removal of shoes from any exhibit and re-measure the horse without shoes. No allowance will be made for grass tips.

117. Should the Society have appointed more than one measurer then an exhibit having been measured and its height recorded by one of such measurers shall not be submitted for measurement or re-measurement to one of the other measurers.

118. Except as provided in the next rule the decision of the measurer shall be final.

119. The judge of a class may request any exhibit to be re-measured in which case the exhibit shall be re-measured in the presence of the Steward in charge of the class and the height then decided upon by the Steward shall be final.

121. Prize ribbons will be awarded to sixth place.

TESTS AND SWABBING

122. The Society may make or cause to be made any test of any exhibit to determine whether any drug or stimulant has been administered to the exhibit and may take possession of any such exhibit for any of the aforesaid purposes and detain such exhibit for such period as is deemed necessary.

Drug means any substance capable of affecting the performance or behaviour of an exhibit by its action upon the central or peripheral nervous system, the cardiovascular system, the respiratory system, the elementary digestive system, the musculo-skeletal system, or the urogenital system and shall include analgesics, anti-histamines, anti-inflammatory agents, blood coagulants, diuretics, hormones and their synthetic counterparts, cortico-steroids, anabolic steroids, local anaesthetics, muscle relaxants and tranquillisers and vitamins administered by injection.

Any exhibit which has been brought to the Showgrounds and is found by the Society to have had administered to it any drug as defined above may be disqualified for any event or class for which it has competed at the Show.

When any exhibit which is on the Showgrounds for the purpose of taking part in a class or event at the Show is found to have had administered to it a drug as defined above, the owner and any other person who was in charge of the exhibit and the exhibit may be dealt with in accordance with the applicable regulations. Any person who at any time administers or causes to be administered for the purpose of affecting the performance of an exhibit in any event or class at the Show any drug as defined above or has in his possession any electric or galvanic apparatus or improper contrivance may be dealt with in accordance with the applicable regulations. Procedures for the testing of Prohibited Substances will involve both "random" and "spot" tests on exhibits. At the discretion of the Society there will be blood testing of exhibits prior to competing and/or blood and urine testing at the end of the competition.

Competitors should be aware that particular attention will be paid to the detection of the sedative and tranquilliser drugs but analysis for all classes of prohibited substances will be included. The collection will always include urine collection for post competition testing and may also include taking blood from the jugular vein. For the latter procedure if urine cannot be collected within 15 minutes an additional 60ml blood sample may be taken in its place.

The Society may also select any exhibit for examination for desensitised limbs. Any exhibit found to have a limb or part of a limb desensitised by any means will be considered to have competed under the influence of a drug and penalised accordingly.
