DAIRY AUSTRALIA congratulates all winners

Dairy Australia is proud of the longstanding association we enjoy with the Royal Agricultural Society of Victoria and the 2005 Royal Melbourne Dairy Produce Awards.

Despite the difficulties experienced on farm over the past two years, the Australian dairy industry remains one of this country's most important agricultural industries and on a national level, is now valued at \$8 billion.

For this reason, it is pleasing to continually see the growing variety and quality of Australian dairy produce that is showcased each year in the Royal Melbourne Dairy Produce Awards.

Congratulations to Jindi Cheese Pty Ltd: Brie for winning the Supreme Cheese Award

Attaining this prestigious accolade of excellence amongst an impressive field of entrants is testament to their commitment to quality.

We also extend our congratulations to all 2005 gold medal winning products, as they are all now eligible to enter the 2006 Australian Grand Dairy Awards - the 'best of the best' competition administered by Dairy Australia.

Our sincere thanks to the Royal Agricultural Society of Victoria for their ongoing commitment to acknowledging excellence in Australian dairy produce.
