NOTES ON WINE JUDGING

Exhibits are judged on a point score with a maximum of 20 points.

On the judging sheet`s this is divided into:

1. 3 points for colour and condition, often wines with poor colour are rejected for defects on both nose and palate.
2. 7 points for nose.
3. 10 points for palate: a wine with an excellent nose may fall down on the palate due to excessive acidity or tannin defects. Conversely, some wines with only a fair nose may have excellent balance on the palate.

Medals are awarded for the following points:

18.5 – 20 = Gold Medal

17.0 – 18.4 = Silver Medal

15.5 – 16.9 = Bronze Medal

All exhibits are judged "on the blind". Judges do not handle the bottles.

In Melbourne, the judges are arranged into six panels, each consisting of three judges. The Chairman of Judges divides the classes to be judged between the panels, he also gives guidance, clarification and in the case of any disputes he will adjudicate.

Each class is set up and poured by associate judges and stewards. The judges assess the wines, allocate points and then medals are awarded. The points listed in the results section represent the total of the three judges' assessments.

Judges are generally selected from those who work in or are connected with the wine industry. Potential judges are recommended to the Royal Agricultural Society of Victoria Limited and are given experience as associate judges. New judges are selected from the best performers. No exhibitors can be Senior Judges.

The following definitions of the various wine types are offered for the guidance of exhibitors.

Varietal wines should comprise at least 80% of the specified variety for 1993 and earlier vintages and 85% of the specified variety for later vintages.

Our Ref:

Congratulations

The wine industry is a great source of pride for all Victorians. We have individuality and diversity, we have quality and we have so many winemakers committed to excellence throughout the State. In fact, every region of Victoria has wineries, which not only contribute to the overall economy, but also provide a wonderful drawcard for tourists.

With 350 wineries spread across Victoria's 23 wine regions there are exciting opportunities for everyone, from boutique wineries and small producers to large scale operations marketing wine to the national and, increasingly, to the international market.

Our reputation as one of the world's great wine centres is highlighted by the fact that Melbourne is the only Australian city to be a member of the international *Great Wine Capitals Global Network* along with Bordeaux, Florence, San Francisco, Cape Town, Porto, Santiago and Bilbao.

My Government is working with the wine industry to promote its continuing sustainable growth and development, through education and training, research, winery tourism promotion, international marketing, and of course, Victorian Wine Week.

I am proud to be part of the Royal Melbourne Wine Show, Australia's biggest, with the Premier of Victoria's Gold Trophy, an award to the Exhibitor of the Best Victorian Wine. It recognises excellence in the Victorian wine industry, an industry with a history of achievement and an unlimited future.

I congratulate De Bortoli Wines Pty Ltd a company committed to excellence in wine production, on winning the 2002 Premier of Victoria's Gold Trophy. Like Victoria's wine industry it represents another success story for our State.

The Hon. Steve Bracks MP
Premier of Victoria
