4. The Insured Party must not make any admission, offer or promise in connection with any claim and must not at any time admit liability.
5. The Insured Party must make themselves aware of and comply with the following Notices:-

(a) **Duty of Disclosure:** Before you enter into a contract of General insurance with an insurer, you have a duty, under the Insurance Contracts Act 1984 as amended, to disclose to the insurer every matter that you know, or could reasonably be expected to know, is relevant to the insurer's decision whether to accept the risk of the insurance and, if so, on what terms.

You have the same duty to disclose these matters to the insurer before you renew, extend, vary or reinstate a contract of General insurance. Your duty however, does not require disclosure of matter:

- * that diminishes the risk to be undertaken by the insurer
- * that is of common knowledge
- * that your insurer knows or, in the ordinary course of his business, ought to know.

Non-Disclosure: If you fail to comply with your duty of disclosure, the insurer may be entitled to reduce his liability under the contract in respect of a claim or may cancel the contract.

If your non-disclosure is fraudulent, the insurer may also have the option of avoiding the contract from its beginning.

(b) **Average Provision:** The insurer will pay legal expenses in addition to the sum insured, if however, the total amount of the loss (less legal expenses) ultimately paid to the claimant(s) exceeds the sum insured then insurers will only pay (in addition to the sum insured) that proportion of the legal expenses as the sum insured bears to the loss.

(c) **Third Party Interests:** This policy will only provide cover for your interest and does not cover the interests of any third party (e.g. financiers, lessors, etc) unless the interests of the third party are noted in the policy.

(d) **Waiver of Insurer's Rights:** You must not enter into any agreement without the written authority of the insurer whereby any of their rights to which they become entitled as your insurer after settling or agreeing to settle a claim are prejudiced or limited in any way otherwise all benefit under the policy will be forfeited.

NOTE:

All enquiries to be referred to

OAMPS: Telephone No: (02) 9424 1888

2. CLAIMS

(a) No admission of liability or fault may be made in any form to a claimant. To do so may breach the policy conditions and enable insurers to avoid settlement.

(b) Any notice of a potential or actual claim must be referred immediately to OAMPS.

3. Nothing herein shall be construed to alter in any way the scope of insurance policy, its terms, conditions or exclusions, issued by insurers.

4. RASV is not liable to the Insured Party in the event a claim is not paid or payable by Insurers unless RASV fails to take reasonable steps to advise that the cover is or is likely to be cancelled or not renewed.

5. RASV is not an Australian Financial Services (AFS) Licence holder. RASV is not providing financial product advice, has not considered the particular needs of the Insured party and no statement is intended to influence a person or persons making a decision in relation to any insurance cover. You should consider obtaining your own financial product advice from a person holding the appropriate AFS licence.

6. THIS INSURANCE ONLY APPLIES TO INSURED PARTIES ENTERING COMPETITION IN ACCORDANCE WITH THE GENERAL REGULATIONS.

7. The details listed above are not comprehensive and are provided as an outline for the policy only. Extracts from the policy are available for inspection on request at RASV's Registered Offices during office hours.

IMPORTANT INFORMATION FOR DAIRY CATTLE EXHIBITORS

ALL DAIRY BREEDS NATIONAL SHOW RING CODE OF ETHICS

The RASV subscribes to the Code of Ethics devised by the Dairy All Breeds Show Ring Committee (ADBSRC). Subsequently, a number of regulations have been updated to reflect this, namely regulations 138 and 139. We recommend you review these regulations. The ADBSRC consists of representatives from all Australian dairy breeds and has the primary purpose of developing a national code of show ring ethics to ensure dairy animals presented for exhibition will be in their natural conformation and structure, free from modification caused by unethical fitting practices. We congratulated the ADBSRC for driving this initiative which underpins a national and consistent approach to conduct at dairy shows.

ELIGIBILITY OF EXHIBITS

An animal shall not be admitted to the Showgrounds, unless it is entered for competition or exhibition.

Bull Classes are not offered at the Royal Melbourne Dairy Show. Dairy breed bulls shall not be admitted to the Showgrounds.

STANDARD OF EXHIBITS AND INSPECTIONS

The standard of Exhibits shall be subject to the Rules and Regulations pertaining to the Breed Standards as accepted by the relevant Breed Society and as approved by the RASV.

Every animal exhibited at the Royal Melbourne Dairy Show will be subject to an inspection, carried out by an Inspector appointed by the RASV.

Each Breed Society or Association will be invited to put forward nominations for these appointments for their breed, and these nominations will be considered by the RASV.

Exhibitors are required to have their stock attended and clean in readiness for inspection by no later than 8:00am on the relevant day. The Inspector(s) shall on the relevant day make every effort to submit their report by 1:00pm to the RASV.

No Exhibitor shall be permitted to exhibit any cattle bearing marking brands or tattoos not consistent with those shown on the relevant entry form or Breed Society records.

Exhibitors are strongly advised to inspect marking brands and tattoos prior to lodging entry forms and before departure for the Show.

Without prejudice to any other applicable rules, if the relevant Inspector determines that any animal entered for exhibition:

is not true to type; or

is not of sufficient merit as to be worthy of exhibit in the class or classes for which it is entered; or

has not been adequately prepared for the Show; or

bears any marking brand or tattoo inconsistent with the markings brand or tattoo disclosed in the relevant entry form or Breed Society records or whose tattoo is not clearly legible; or

Any animal infected by ringworm or warts shall be deemed to be ineligible for exhibition at the Show. The Inspectors shall report any animal which they believe to be infected by ringworm or warts and the RASV's Veterinary Surgeon shall inspect such animal for the purpose of determining whether the animal is so infected.

Without prejudice to the General Regulations, the determinations of the Inspectors or of the Veterinary Surgeons on any matter shall be subject only to appeal to the Chief Steward in the Dairy Cattle Section who shall make such determinations and directions as they deem appropriate. Such appeal shall be accompanied with a deposit of \$50 which may be forfeited to the RASV if in the sole opinion of the Chief Steward the appeal is unfounded, frivolous or vexatious.

The Inspectors, Veterinary Surgeons, Chief Stewards, or their assistants shall not be required to furnish to the Exhibitor any reasons for their determinations or directions nor to give the Exhibitor any right to be heard on any matter in question.

Notwithstanding any other provision in the regulations, where the RASV determines that any animal entered in the Dairy Cattle Section has received hormones, then such animal shall be deemed to be ineligible for exhibition at the Show. Any determination made by the RASV pursuant to this regulation shall be final.

The RASV may make or cause to be made, at any time during the period of exhibition, an inspection or any test of an Exhibit to determine whether a breach of the regulations under the heading of Standard of Exhibits and Inspections has occurred. If, as a result of a breach of any of these regulations, an animal is deemed to be ineligible for exhibition at the Show, the RASV may by notice to the Exhibitor require the animal be forthwith removed from the Showgrounds. The Exhibitor, upon receipt of such notice, shall forthwith remove such animal and, failing such removal by him within the time prescribed by the RASV, the RASV may remove the animal or cause the animal to be removed and all costs and expenses of removal shall be borne by the Exhibitor and shall be refunded to the RASV. Any determination made by the RASV pursuant to this regulation shall be final.

If an award has been made to an Exhibit deemed to be ineligible under these regulations, any prize awarded will be forfeited and, subject to General Regulation 10.5, Exhibits in the next order may be promoted to that prize.

Notwithstanding General Regulation 7.4, no Exhibitor shall be permitted to exhibit any cattle which, in the opinion of the RASV, displays evidence of being tampered with or, in the definition of the class in which it is entered, an animal entered for exhibition or competition is not presented in its natural conformation and has no preparation other than normal feeding and fitting with the exception of normal dressing of hair, hoofs and horns.

Bedding straw is permissible for Dairy Cattle only, but can only be used if 50mm of sawdust is maintained underneath the bedding straw at all times. Failure to adhere to this rule will result in the Exhibitor being disallowed to further bed their animals on straw for the remainder of the Show.

Bedding straw will not be provided by the RASV.

SAWDUST BEDDING FOR CATTLE - PRINCIPLES FOR GOOD MANAGEMENT

To achieve the best results from bedding cattle on sawdust, the following system of management is recommended:

Pick up manure at every opportunity.

Place hay in feeders and avoid feeding excessive amounts.

Avoid water spillage in stalls.

Regularly smooth out the bed with the aim of assisting drying.

Consider using rubber matting for front half of bed.

Do not dig out the wet patches.

Do not disturb the bedding base.

Keep the top of the bed loose.

Experience has shown that properly managed bed will last a full Show with little need for top up bedding, particularly with some classes of livestock.

FODDER STORAGE

Exhibitors are not permitted to stack feed in the Livestock Pavilion except in the designated fodder aisles. Stock requisites can be obtained from the Fodder Merchant who will be situated on the Showgrounds.

CLIPPING OF EXHIBITS

A limited number of clipping frame spaces will be available, provided an application for space and a \$42 fee (inc. GST) accompanies the Dairy Cattle Entry Form.

Each Exhibitor is restricted to one clipping frame only.

All clipping frames must have secure flooring and face the front of the stall only.

Clipping frames must only be kept in their designated area. Failure to adhere to this rule will result in automatic removal of the clipping frame.

SECURITY OF ANIMALS

All Exhibits must be provided with effective halters and be thoroughly broken to lead.

All calves must be securely tethered at all times.

Each Exhibitor shall ensure that each of their Exhibits is securely tethered in its stall.

All Exhibitors shall ensure that their Exhibits are not left unattended.

If in its absolute discretion the RASV determines any Exhibit or Exhibits of stock to be dangerous for any reason whatsoever, the RASV may by notice to the Exhibitor require the animal or animals concerned to be forthwith removed from the Showgrounds. The Exhibitor upon receipt of such notice shall forthwith remove such animal and failing such removal by the Exhibitor within the time prescribed by the RASV, the RASV may remove the animal or cause the animal to be removed and all costs and expenses of removal shall be borne by the Exhibitor and shall be refunded to the RASV.

SALES AND NOTICES

Exhibitors are permitted to display cards over the stalls stating that an animal is for sale provided such cards do not exceed 30cm x 25cm in size. No other advertisements or notices (except by permission of the RASV) are permitted on or in any stalls or buildings.

STUD IDENTIFICATION NOTICE

Each Exhibitor is permitted to display one sign 60cm x 120cm in size provided that such sign carries only the stud name, address, telephone number, facsimile number and e-mail address.

JUDGING

The following regulations shall be read subject to General Regulations 10.1 to 10.6 and 11.1 to 11.7 of the General Regulations.

Exhibits shall be present at the appropriate judging ring and ready to enter the judging ring at the time specified in the Timetable for the event to take place. Exhibits shall enter the judging ring immediately upon request by the appropriate Steward.

Persons in charge of Exhibits must in no circumstances leave their Exhibits unattended at or in the judging ring.

Persons in charge of Exhibits at or in the judging ring shall not address the Judge unless authorised by the Chief Steward or the Judge.

Judges shall have the right to order that a cow be milked dry before awarding a prize.

All attendants leading stock in the judging ring or on Grand Parade shall wear uniform white coats or approved breed uniform. Such white coat or uniform must in no way show any insignia or any descriptive markings indicating the Exhibitor's name and/or stud name or prefix.

FIRE AND ELECTRICAL SAFETY REGULATIONS

Persons who breach General Regulations 13.1 to 13.3 (Fire Regulations) may be required by notice from the RASV to forthwith remove themselves and their Exhibits from the Showgrounds. The Exhibitor and Exhibits concerned may be prohibited from entry to one or more future Shows. The determination of the RASV in this regard shall be final and not be called into question in any manner or in any proceedings whatsoever.

An Exhibitor, upon receipt of a notice pursuant to this Regulation, shall forthwith remove all his Exhibits and failing such removal by the Exhibitor within the time prescribed by the RASV, the RASV may remove or cause to be removed all the animals concerned and all costs and expenses of such removal shall be borne by the Exhibitor and shall be refunded to the RASV.

Smoking is at all times prohibited in the Pavilions and in the Feed Lockers or any buildings on the Showgrounds.

All electrical appliances and leads must carry a current safety tag. Any electrical appliance or lead without the appropriate tag will be confiscated by the Superintendent.

PAYMENT OF PRIZE MONEY

The prize money advice slip issued by the RASV will denote each cash prize won by either class number or special prize number viz (S123).
