Mr MARK O'SULLIVAN

RASV CEO

The Royal Agricultural Society of Victoria (RASV) continues to dedicate its resources to ensuring the Royal Melbourne Wines Awards (RMWA) remain highly valued by industry and assists to drive wine sales. This year we renamed the 'Show', the 'Awards' in keeping with what we are trying to achieve for the industry. We also introduced a very important new trophy this year, the James Halliday Trophy for Best Pinot Noir recognising the importance of Pinot Noir to the Australian wine landscape and the development of Pinot Noir as a mainstream varietal. This trophy has been named in Halliday's honour for his lifetime contribution to the Australian wine industry and to Pinot Noir production.

Judging the 3200 wines that are entered in the Awards is an enormous task. Without the dedication and commitment of the judging team and the support from you, the exhibitors the Awards would not be possible. To the 35 wine experts and our two international guest judges from the United Kingdom, Sarah Abbott MW and Joe Wadsack, thank you on behalf of the RASV.

This year is the final year our talented and dedicated Chairman of Judges, David Bicknell, will be at the helm. The RASV takes this opportunity to publicly offer its sincere thanks for steering the ship these past three years. Under the guidance of David we have seen positive evolution and considered changes all of which ensure the RMWA's continue to remain relevant to the wine industry. We are delighted to have Tom Carson join us from 2014 in the Chair of Judges role.

We also extend a sincere thanks to the RMWA Committee for their time and support and in particular acknowledge the Committee Chairman Phil Sexton.

This year we have extended the RMWA reach and influence by launching a significant week-long consumer event, Melbourne Wine Week. As much as the Awards are important to the industry, we need to ensure consumers understand their value and this year wine drinkers can experience the wines through events in and around Melbourne and regional Victoria. Melbourne Wine Week starts with our own flagship event, Uncorked on Friday 25 October at Collins Place.

We extend our thanks to our event sponsors including the State Government of Victoria and our event partners for their valued contribution.

And finally thank you to all of our exhibitors, for your dedication to excellence and for showing us outstanding wines that we are proud to call world class. We look forward to an equally exciting line up in 2014.

DAVID BICKNELL

Royal Melbourne Wine Awards Chairman of Judges

Scratch the surface and it all looks good. With ~ 550 companies submitting wine to the RMWA, the show is still growing in participation, and therefore an increasing in entrant diversity. While this participation is strong, perhaps the best of all of the major capital city wine shows, this still only represents ~20% of all Australian producers. To keep the RMWA, and all other wine shows both relevant and strong, we need to keep attracting the niche producers to measure up against the mainstream entries.

The messaging from both domestic and export markets speaks of regional and site based wines being the key to the next cycle of industry prosperity. Whether real or imagined, during my tenure as chair of judges, the messaging has been consistent in asking the panels to look for wines that best represent the diversity of the enormous spread of GI's within our country. Big church stuff, let them all in. Like the Rolling Stones, there are tracks that everyone loves, although they don't necessarily love the band. Find some tracks you love. Keep the mind open etc. In keeping, any wine can now win the single vineyard trophy, not just a selection of pet favorites. The odd-ball list of wines that short-listed for this trophy was a strong statement in equal opportunity and celebration.

The strong and diverse judging panel that we have employed values the input of sommeliers, writers, buyers, retailers, sundry media (sorry bloggers) and international opinion on an equal footing with the traditional technically trained judges. I will single out the contribution of our visiting internationals, Sarah Abbott MW and Joe Wadsack, for raising the awareness and endeavor of the entire panel after two sterling master classes on their pet topics. I would also like to thank our two transient panel chairs - Dr Tony Jordan and Philip Rich for their step-in contributions during the judging phase. Experience counts.

With the uniformly strong 2012 vintage behind us, there were a number apparent trends: a general improvement of alternative varieties, and of alternative blends, definitive improvement with pinot gris/grigio and ground breaking work with pinot noir. The excitement we have seen in the last few years when looking at chardonnay classes, has seemingly caught on to both Grenache (and variations) and Pinot Noir. The days of negativity towards Gris, Merlot and Rose classes seem numbered and may finally be supported and embraced in the fine wine category. Perhaps even white sauvignon. Vintage 2011 red wines again stood up extremely well, surpassing the expectations of many. Fortified wines were outstanding, if in tiny numbers.

Lastly, I would like to make special mention to the stewarding crew in particular Steve Chambers & Pete Matthews and acknowledge the staff of RASV, who have been brilliant to work with at every level - Mark, Ann, Michael, Glenn and Danni. Respect.

Best aye,

David Bicknell

GIANT STEPS APPLEJACK VINEYARD PINOT NOIR 2012 INNOCENT BYSTANDER, YARRA VALLEY, VIC

In the first of three major trophies won by this fabulous wine at this year's awards, winemaker Stephen Flamsteed has created a wine fitting of the inaugural James Halliday Trophy. Handpicked and hand sorted, this wine was assembled from two parcels of fruit one which was 100% whole bunch fermented, the other destemmed to whole berries. Both parcels were cold soaked. The wine was racked off gross lees to oak for indigenous malolactic fermentation and matured in a mix of new and aged French oak.

THE TREVOR MAST TROPHY FOR BEST SHIRAZ

Awarded for the first time last year, the Trevor Mast Trophy for the Best Shiraz recognises the lifetime contribution Mast made to the Australian wine industry. Trevor was a long-time winemaker at Australia's Mount Langi Ghiran winery and a legend in the Victorian wine industry for his visionary cool climate wine production.

BLOCK 14 SHIRAZ 2012 THE LANE VINEYARD, ADELAIDE HILLS, SA

Winemakers John Edwards and Michael Schreurs chose a parcel of fruit from atop a hill in a north facing vineyard with an elevation of 450 metres. The Block 14 Shiraz 2012, offers lifted violets, wild flowers and black fruit on the nose with a soft and silky palate.

THE FRANÇOIS DE CASTELLA TROPHY FOR BEST YOUNG WHITE WINE

The François De Castella Trophy is one of the Royal Melbourne Wine Awards marquee awards. The trophy is named in honour of François Robert De Castella (1867-1953) a Swiss-born Victorian viticulturalist and winemaker who wrote the influential Handbook on Viticulture for Victoria. As the state's viticultural expert he helped the fledgling industry through very difficult times during the late 19th and early 20th centuries.

TIGHTROPE WALKER CHARDONNAY TIGHTROPE WALKER, YARRA VALLEY, VIC

The grapes selected for the Tightrope Walker Chardonnay 2012 were carefully hand-harvested in the cool morning and chilled overnight. They were then sorted and whole bunch pressed for minimal phenolic pick up and maximum flavour extraction, the key to this style of Chardonnay. It was blended and bottled after nine months of maturation in French barriques and Hogsheads.

THE VICTORIAN TROPHY FOR BEST VICTORIAN TABLE WINE PRESENTED BY THE VICTORIAN GOVERNMENT

The Victorian Government Trophy for Best Victorian Table Wine is presented on behalf of the Victorian Government in recognition of excellence in the Victorian Wine Industry. Wines entered must be 100% grown, produced, and vintaged in Victoria.

GIANT STEPS APPLEJACK VINEYARD PINOT NOIR 2012 INNOCENT BYSTANDER, YARRA VALLEY, VIC

This wine was made with the utmost attention to detail, from the handpicked and hand sorted fruit to the whole cluster fermentation. The organic nature of the winemaking technique meant that there was little intervention. The result is a seductive and compelling wine with intense aroma and delicate fruit and earthy characters. This is the second award presented to Innocent Bystander for the Giant Steps Applejack Vineyard Pinot Noir 2012.

THE DOUGLAS SEABROOK SINGLE VINEYARD TROPHY

This prestigious annual Royal Melbourne Wine Award Trophy is named after iconic 1970s Australian wine judge and commentator Douglas Seabrook. To qualify for this award, all exhibits must be produced using at least 95% grapes from an individually named single vineyard.

GIANT STEPS APPLEJACK VINEYARD PINOT NOIR 2012 INNOCENT BYSTANDER, YARRA VALLEY, VIC

Situated high up in the Yarra Valley, the Applejack Vineyard is located on a dramatic slope and is close planted and meticulously tendered. The vineyard is owned by viticulturist Ray Guerin and managed by his son Mark Guerin. This vintage was particularly rewarding with excellent growing conditions. The fruit was cropped at less than two tonne per acre. This is the third award presented to Innocent Bystander for the Giant Steps Applejack Vineyard Pinot Noir 2012.

THE BILL CHAMBERS TROPHY FOR BEST FORTIFIED WINE

The Bill Chambers Trophy for Best Fortified Wine is awarded to the best fortified in the 2013 Awards. The Award is named after Rutherglen legend, Bill Chambers, both for his contribution to Victorian fortified wine and his role as Chairman of Judges for 25 years with the Royal Melbourne Wine Awards.

MORRIS CELLAR RESERVE GRAND LIQUEUR, NV MUSCAT MORRIS WINES, RUTHERGLEN, VIC

The 1991 vintage was used as the basis of this wine, with it and other vintages giving intensity and richness to this superb wine. The youngest material from the 1995 vintage provides freshness to the bouquet. This Liqueur Muscat exhibits the aromatic fruit characters and luscious flavour of ripe brown Muscat.

NOTES ON WINE JUDGING

Wines entered into the Royal Melbourne Wine Awards are assessed by judging panels consisting of three judges and two associates. The Chairman of Judges divides the classes to be judged between the panels. He also gives guidance, clarification and in the case of any disputes he will adjudicate. The Chairman of Judges will have the final power to arbitrate the Awards.

The panels assessed each wine independently and "blind" with exhibits judged on a points score with a maximum of 100 points per Judge. The Judges then discussed the merits of each wine before the final assessment of each wine was made. It was at this point that an agreed combined total score out of 100 was attributed to each exhibit and is published within this catalogue.

Medals are awarded for the following points:

95 points and over = Gold Medal

90 to 94 = Silver Medal

85 to 89 = Bronze Medal

The "top" exhibits of each class were then re-tasted blind by the Panel Chairs and the Chairman of Judges to find the top exhibit of each class. Through this extra level of scrutiny the eligible wines to be judged for each trophy were found.

Judges may in their absolute discretion decline to appoint an award in any class. Awards may be withheld in any class where exhibits are considered unworthy or where the Judges for any reason and in their absolute discretion decide that any award shall be withheld.

IF YOU HAVEN'T THOUGHT ABOUT BONDS YOU MAY BE A BIT UNBALANCED.

Don't worry – you're far from alone. Most Australians have investment portfolios that are too reliant on one or two asset classes. This can expose your capital to serious risk in the event of a downturn. But if you balance your portfolio with corporate bonds, you can lower your risk while still enjoying significantly better returns than term deposits.

As Australia's leading fixed income specialists, FIIG offers tailored, flexible corporate bond portfolios with an initial investment of \$50,000.

So if you're feeling a little unbalanced, visit fiig.com.au or call us today on 1800 01 01 81.
