- The Insured Party must give immediate notice of an incident which may give rise to a claim or of receipt of advice of a claim.
- The Insured Party must not make any admission, offer or promise in connection with any claim and must not at any time admit liability.
- The Insured Party must make themselves aware of and comply with the following Notices:-

Duty of Disclosure: Before you enter into a contract of General insurance with an insurer, you have a duty, under the Insurance Contracts Act 1984 as amended, to disclose to the insurer every matter that you know, or could reasonably be expected to know, is relevant to the insurer's decision whether to accept the risk of the insurance and, if so, on what terms.

You have the same duty to disclose these matters to the insurer before you renew, extend, vary or reinstate a contract of General insurance. Your duty however, does not require disclosure of matter:

- * that diminishes the risk to be undertaken by the insurer
- * that is of common knowledge
- * that your insurer knows or, in the ordinary course of his business, ought to know.

Non-Disclosure: If you fail to comply with your duty of disclosure, the insurer may be entitled to reduce his liability under the contract in respect of a claim or may cancel the contract.

If your non-disclosure is fraudulent, the insurer may also have the option of avoiding the contract from its beginning.

Third Party Interests: This policy will only provide cover for your interest and does not cover the interests of any third party (e.g. financiers, lessors, etc) unless the interests of the third party are noted in the policy.

Waiver of Insurer's Rights: You must not enter into any agreement without the written authority of the insurer whereby any of their rights to which they become entitled as your insurer after settling or agreeing to settle a claim are prejudiced or limited in any way otherwise all benefits under the policy will be forfeited.

NOTE:

All enquiries to be referred to OAMPS: Telephone No: (02) 9424 1888

2. CLAIMS

- No admission of liability or fault may be made in any form to a claimant. To do so may breach the policy conditions and enable insurers to avoid settlement.

- Nothing herein shall be construed to alter in any way the scope of insurance policy, its terms, conditions or exclusions, issued by insurers.
- RASV is not liable to the Insured Party in the event a claim is not paid or payable by Insurers unless RASV fails to take reasonable steps to advise that the cover is or is likely to be cancelled or not renewed.
- RASV is not an Australian Financial Services (AFS) Licence holder. RASV is not providing financial product advice, has not considered the particular needs of the Insured party and no statement is intended to influence a person or persons making a decision in relation to any insurance cover. You should consider obtaining your own financial product advice from a person holding the appropriate AFS licence.

SAWDUST BEDDING FOR CATTLE - PRINCIPLES FOR GOOD MANAGEMENT

To achieve the best results from bedding cattle on sawdust, the following system of management is recommended:

Pick up manure at every opportunity.

Place hay in feeders and avoid feeding excessive amounts.

Avoid water spillage in stalls.

Regularly smooth out the bed with the aim of assisting drying.

Consider using rubber matting for front half of bed.

Do not dig out the wet patches.

Do not disturb the bedding base.

Keep the top of the bed loose.

Experience has shown that properly managed bedding will last a full Show with little need for top up bedding, particularly with some classes of livestock.

A limited number of clipping frame spaces will be available, provided an application for space and a \$100.00 fee (GST inc.) accompanies entries.

All clipping frames must have secure flooring.

A bull or heifer entered in any class for an Exhibit of an age under 18 months shall be ineligible for exhibition in any such class if at the time of inspection of the Exhibit at the Showgrounds the bull or heifer has or shows, in the opinion of the Chief Steward or their nominee, evidence of having had a permanent tooth; or if entered in any class for an Exhibit of an age under 24 months the bull or heifer has, or shows evidence of having had more than two permanent teeth. A tooth which has erupted from the gum in whole or part shall be deemed to be a permanent tooth.

An animal shall not be admitted to the Showgrounds unless it is entered for exhibition, with the exception of a calf at foot, as defined in Section 116 to 118 of these Regulations.

No cattle can be inspected unless the exhibitor or a representative thereof is present to assist in handling the cattle.

No Exhibitor shall be permitted to exhibit any cattle bearing marking brands or tattoos not consistent with those shown on the relevant entry form or Breed Society records.

Exhibitors are strongly advised to inspect marking brands and tattoos prior to lodging entry forms and before departure for the Show.

Without prejudice to any other applicable rules, if the relevant inspector determines that any animal entered for exhibition:

- has a calf at foot born prior to arrival at the Showgrounds, which is not tattooed with its permanent ink impregnated tattoo; or is found with a calf at foot born prior to 1 January 2013, then such animal shall be deemed to be ineligible for exhibition at the Show.

The Inspectors shall report any animal which they believe to be infected by ringworm or warts to the RASV's Veterinary Surgeon.

Any animal found infected with ringworm prior to arriving at the Showgrounds must be accompanied by a veterinary certificate stating that the veterinarian has seen the animal treated in the last 4 days with an appropriate fungicide. If the infection is deemed to be so bad and/or unsightly that the showing of that animal is likely to detract from the spectacle of the Show, the animal may be deemed ineligible for competition at the discretion of the RASV Beef Cattle Committee.

Any animal infected with warts should generally have them removed prior to arriving at the Showgrounds. If the infection is deemed to be so bad and/or unsightly that the showing of that animal is likely to detract from the spectacle of the Show, the animal may be deemed ineligible for competition at the discretion of the RASV Beef Cattle Committee.

Without prejudice to the General Regulations, the determinations of the inspectors or of the Veterinary Surgeons on any matter shall be subject only to appeal to the Chief Stewards or Assistant Chief Stewards in the Beef Cattle or Beef Carcass Competition who shall make such determinations and directions as they think fit. Such appeal shall be accompanied with a deposit of \$50 which may be forfeited to the RASV if in the sole opinion of the Chief Steward the appeal is unfounded, frivolous or vexatious.

The Inspectors, Veterinary Surgeons, Chief Stewards, or their assistants shall not be required to furnish to the Exhibitor any reasons for their determinations or directions nor to give the Exhibitor any right to be heard on any matter in question.

Notwithstanding any other provision in the regulations, where the RASV determines that any animal entered in the Cattle Sections has received hormones, then such animal shall be deemed to be ineligible for exhibition at the Show. Any determination made by the RASV pursuant to this regulation shall be final.

RASV BEEF CATTLE

The RASV may make or cause to be made, at any time during the period of exhibition, an inspection or any test of an Exhibit to determine whether a breach of the regulations under the heading of Standard of Exhibits and Inspections has occurred. If, as a result of a breach of any of these regulations, an animal is deemed to be ineligible for exhibition at the Show, the RASV may by notice to the Exhibitor require the animal be forthwith removed from the Showgrounds. The Exhibitor, upon receipt of such notice, shall forthwith remove such animal and, failing such removal by him within the time prescribed by the RASV, the RASV may remove the animal or cause the animal to be removed and all costs and expenses of removal shall be borne by the Exhibitor and shall be refunded to the RASV. Any determination made by the RASV pursuant to this regulation shall be final.

If an award has been made to an Exhibit deemed to be ineligible under these regulations, any prize awarded will be forfeited and subject to General Regulation 10.5 Exhibits in the next order may be promoted to that prize.

It is the Exhibitor's responsibility to ensure the animal is not subject to prohibited practices, prior to and whilst on the Showgrounds.

The RASV may make or cause to be made, any test of any Exhibit to determine whether any drug or other substance has been administered to the Exhibit and may take possession of any such Exhibit for any of the aforesaid purposes and detain such Exhibit for such period as the RASV deems necessary. Procedures for the testing of prohibited substances may include random tests on Exhibits.

If an Exhibitor fails to show any Exhibit entered in the show without having given notice in accordance with these regulations, that Exhibitor may be prohibited from showing any Exhibit in any section of the show.

If in its absolute discretion the RASV determines any Exhibit or Exhibits of stock to be dangerous for any reason whatsoever, the RASV may by notice to the Exhibitor require the animal or animals concerned to be forthwith removed from the Showgrounds. The Exhibitor upon receipt of such notice shall forthwith remove such animal and failing such removal by the Exhibitor within the time prescribed by the RASV, the RASV may remove the animal or cause the animal to be removed and all costs and expenses of removal shall be borne by the Exhibitor and shall be refunded to the RASV.

BREEDPLAN

The Code of Practice for the use of Breedplan data in Beef Cattle Judging at the Royal Melbourne Show is as follows:

Breedplan data is only available to be used in Beef Cattle Judging if the respective Breed Society agrees for Breedplan data to be utilised in the judging of their breed of Beef Cattle, and the respective Breed Judge desires to utilise Breedplan data in the breed judging.

Subject to this agreement, the RASV is to be supplied with the most recent run of Breedplan data for the specified traits, in a format deemed by the RASV as suitable for publishing.

Subject to this agreement, Breedplan data will also be made available for viewing by the general public located ringside.

Breedplan data will then be utilised in accordance with the following:

The Judge is not to rely solely upon Breedplan data to arrive at judging decisions. The Judge is to be provided with the Breedplan data by the RASV on the day of Judging, no less than two hours prior to the published commencement time, and no earlier than 7.00am on the day of that breed being judged. The Judge is to assess each of the parading cattle in the judging ring only, utilising all available assessment tools including Breedplan data. The RASV reserves the right to withhold Breedplan data from the Judge, should the RASV, in its absolute discretion, determine that the data submitted is not current or is incomplete.

MOST SUCCESSFUL EXHIBITOR AWARDS

Points will be accrued by the Steward during the judging of each breed, based on the allocation below.

Points are not accrued for Supreme Exhibit, or Group Classes.

Ordinary Classes Point Allocation:

First Prize - 3 points

Second Prize - 2 points

Third Prize - 1 point

Championship Point Allocation:

Grand Champion - 2 points

Senior Champion - 3 points

Reserve Senior Champion - 2 points

Junior Champion - 3 points

Reserve Junior Champion - 2 points

In the event of two or more Exhibitors securing an equal number of points, the Exhibitor gaining the greatest number of first prizes shall be the winner.

RETURNING AND NEW BREEDS

Breeds that have not exhibited at the Royal Melbourne Show for two (2) or more consecutive years are required to have a minimum of ten (10) breed exhibits (not including calves at foot) from three (3) exhibitors be entered to ensure adequate competition.

In order for the Breed Society to be formerly recognised by the RASV, copies of the constitution, breed standards, registration papers and uniform regulations are required to be submitted.

If entries are at capacity for the first year a breed is returning to or showing at the Royal Melbourne Show, these exhibits can only be accommodated if final entry numbers permit. Exhibitors of such breeds will be notified at close of entry as to whether the breed can be accommodated. In this instance, in the event that entries cannot be accommodated, full refund will be provided.

FEATURE BREED

HIGHLAND

Championship prize money of \$50 will be made available for Junior and Senior Champions provided there are three or more exhibitors in this breed and a minimum of three exhibits competing for the Championship.

We encourage exhibitors and breed organisations to assist us with securing support for prize money and trophies for the Championships in this breed. Please contact the RASV on (03) 9281 7416 should require further information or wish to pledge your support.
