How many bankers make farm visits?

These days, it's hard enough to find anyone who makes farm visits. Let alone a banker.

Well, at the National Australia Bank, we believe a banker should make farm visits.

It's the best way any banker can get to know you and what your business is all about.

Then, in the privacy of your home, you can sit down face to face and talk about your farm's financial needs.

So, if you'd like a Rural Manager to visit you, simply phone 13 10 12.
