How many bankers make farm visits?

These days, it's hard enough to find anyone who makes farm visits. Let alone a banker.

Well, at the National Australia Bank, we believe a banker should make farm visits.

It's the best way any banker can get to know you and what your business is all about.

Then, in the privacy of your home, you can sit down face to face and talk about your farm's financial needs.

So, if you'd like a Rural Manager to visit you, simply phone 13 10 12.

The \$299 price tag is just one of its outstanding features.

Never before has \$299 bought you so much authority, credibility and integrity. And never before has an encyclopaedia CD ROM offered so much knowledge, inspiration and opportunity. Britannica CD 97 may be small in size, but it's big in stature.

For example, make a quick search between 'Mozart' and 'muscle' and our CD delivers a staggering 1,573 articles. Do the same search and then combine the similar range of articles

from 4 other CD ROM encyclopaedia's, and you'll find a disappointing 547 articles in total – less than a third of our information. To own the world's most comprehensive encyclopaedia CD ROM, call 1800 801 001.

PEACE OF MIND.

VACC Rural Insurance is heavily committed to supporting farmers.

That's why we have formed associations with over 30 societies and why we have been a founding sponsor of International Dairy Week and Beef Week.

It's why we sponsored the refurbishment of the Indoor Judging Ring in the Meaklim Pavilion and why VACC Rural Insurance was the first corporate sponsor to support the Roll Over Protection campaign with a \$15,000 pledge.

We're here supporting the Royal Melbourne Show too.

You'll find there's always one thing foremost in our thinking; your peace of mind.
