Accommodation shall not be provided for exhibits entered in miscellaneous classes only.

Exhibits arriving other than at the stated times, may have their stall or box re-allocated without notice.

104. An Exhibitor and/or person in charge of an exhibit shall only stable a horse in a stable as directed by the Company.

Any Exhibitor and/or person in charge of an exhibit who fails to observe any such direction shall be guilty of a breach of the Company's Regulations and may be dealt with accordingly.

The Company shall also be entitled to move or direct the removal from the Showgrounds of any exhibit which is stabled contrary to the direction of the Company.

105. No Exhibitor, or person in charge of an exhibit, or other person, shall enter the stable of another exhibitor without the authority of such Exhibitor or the person in charge of an exhibit.

"Hill Entrance" will be available on each day of the Show for the unloading of exhibits for which accommodation has not been allotted or which are not entitled to accommodation. Vehicles used for the transportation of such exhibits may be parked in this area for the day and the exhibits led into the grounds. Entry tickets may be purchased at the gate for exhibitors

entitled to use this area at a fee of \$6.00 per day per vehicle.

Exhibitors attending the Show on a day basis are requested to parade where possible and should marshal in the Western Area as directed by the Horse Superintendent.

*Exhibitors in Sections where accommodation is available (except Clydesdales) may, on application, be permitted to bring in their exhibits on a daily basis. The Company may in its sole discretion accept or reject such application without assigning any reason for its decision and without giving the exhibitor concerned or any other person the right to be heard on this question.

At the discretion of the Company there will be blood testing of exhibits prior to competing and/or blood and urine testing at the end of the competition.

Competitors should be aware that particular attention will be paid to the detection of the sedative and tranquiliser drugs but analysis for all classes of prohibited substances will be included. The collection of samples

will always involve taking blood from the jugular vein and may also include urine collection for post-competition testing. For the latter procedure if urine cannot be collected within 15 minutes an additional 60 ml blood sample may be taken in its place.

The Company may also select any exhibit for examination for desensitized limbs. Any exhibit found to have a limb or part of a limb desensitized by any means will be considered to have competed under the influence of a drug and penalised accordingly.

The exhibit or exhibits in question cannot be exhibited in any other class or classes (as the case may be) until such time as the fine has been paid. Failure to pay the fine prior to departing from the Show Grounds may result in non-acceptance of entries at any subsequent Show.
