Message from the *CEO*

Melbourne Royal® is delighted to publish the results of the 2026 Melbourne Royal Australian International Spirits Awards to acknowledge and celebrate all the trophy and medal winners.

The Melbourne Royal Australian International Spirits Awards inspires innovation and celebrates distilling excellence for both Australian and international spirits, liqueurs, aromatics, vermouths and ready-to-drink products.

Endorsed by the Australian Distillers Association, the Melbourne Royal Australian International Spirits Awards offer distillers an invaluable opportunity to showcase their craftsmanship and innovation while receiving recognition and feedback from industry experts. I thank all participating distilleries, both Australian and international, for entering this year's Awards.

Distilling industry experts from around the world convened at Melbourne Showgrounds from 7–9 July 2026 to judge the entries in the 2026 Melbourne Royal Australian International Spirits Awards.

The 2026 Awards marked the first year under the leadership of our newly appointed Co-Head Judges, Sebastian Reaburn and Holly Klintworth. We are incredibly grateful to our 54 judges, led by Sebastian and Holly, along with our 39 stewards who generously volunteered their valuable time to assist with judging.

After an intensive assessment by some of the best spirits experts, the Awards proudly recognised the industry's finest. A total of 136 gold, 488 silver and 312 bronze medals were awarded from a record-breaking 1,036 entries, submitted by 256 exhibitors from seven countries.

A total of 29 trophies have been awarded this year, including 21 category trophies and eight champion trophies, recognising excellence across the Australian and international distilling industry.

New for 2026, Melbourne Royal introduced Champion Australian Small Distiller, Champion

Australian Medium Distiller and Champion Australian Large Distiller trophies, providing greater recognition for excellence across distilleries of different sizes. This year also saw the introduction of a Gin & Tonic class, recognising the continued growth and innovation within the ready-to-drink spirits category.

Congratulations to all the winners of medals and trophies this year. Winning a Melbourne Royal trophy or medal is wonderful recognition and reward for your expertise, passion and commitment to distilling excellence.

We trust your success at these Awards will contribute to increased sales and brand recognition through the use of the Melbourne Royal Seal of Excellence on your products, packaging and marketing materials.

I thank our Industry Advisory Group, represented by Sebastian Reaburn, Holly Klintworth, Caroline Ashford, Sebastian Costello, Luke McCarthy, Julian White, Shaun Byrne, Cara Devine, Nian Ju Evelyn Liong, and representatives from the Australian Distillers Association, for their ongoing support in advancing these Awards and delivering even greater value to the distilling industry.

Thank you to our valued Government Partner, Agriculture Victoria, our Glassware Sponsor, Plumm, and our dedicated Trophy Sponsors – BevChain, Bintani, StrangeLove, The Gin Guild, Weyermann and Joe White Maltings – for their invaluable support of the Melbourne Royal Australian International Spirits Awards and the distilling industry.

Melbourne Royal is committed to celebrating excellence in the distilled spirits industry and looks forward to the Melbourne Royal Australian International Spirits Awards continuing to be a unique and valuable platform to drive growth and inspire innovation into the future.

Brad Jenkins
Chief Executive Officer

Message from the *Co-Head Judges*

As first-time Co-Head Judges, it has been a privilege for both of us to lead the judging process for the 2026 Australian International Spirits Awards and to witness firsthand the continued growth and evolution of this remarkable competition.

The energy around the judging tables this year was palpable, and that excitement was driven by one thing above all else: the outstanding quality of the spirits placed in front of us. With more than 1,000 entries received - a record number for the competition - the depth, diversity and calibre of submissions on display was truly exceptional.

This year also saw the introduction of our inaugural G&T category, which attracted more than 130 entries and became the largest category in the competition. It was a fitting reflection of the innovation, creativity and momentum currently shaping the gin category both here in Australia and abroad.

We were honoured to welcome an outstanding panel of judges from Australia and overseas, including internationally renowned bartender and IWSC spirits judge Ryan Chetiywardana, globally renowned cocktail bartender, and one of the most influential spirit and cocktail experts who joined us from London, and respected gin authority Marcel Thompson from New Zealand.

What makes these awards so special is their ability to bring the industry together. Beyond celebrating excellence, they provide a forum for distillers, retailers, hospitality professionals and enthusiasts to share ideas, discover emerging producers and gain insight into the trends shaping the future of spirits.

Finally, our sincere thanks go to the Melbourne Royal team, advisory panel, judges and stewards, whose professionalism, integrity and commitment continue to make the Australian International Spirits Awards the country's leading and most respected spirits competition.
