## Mr MARK O'SULLIVAN RASV CEO

The Royal Agricultural Society of Victoria (RASV) is delighted to this year celebrate a significant milestone of the Royal Melbourne Wine Awards (RMWA) as the annual event celebrates its 130th anniversary.

The event was established in 1884 to promote excellence in Australian wine and wine making practice, and the RASV is committed to safeguarding the esteemed reputation and highly valued benchmarking of these historical awards.

The RMWA continue to grow in stature with the credibility of medals or trophies cemented, providing winners with differentiation in the market. The evolution of the awards to include new categories reflecting changes in the industry recognises the innovation and development of the Australian wine industry. This year we have added to the stable of awards the Kym Ludvigsen Trophy for Viticultural Excellence and the Victorian Trophy for Wines of Provenance.

The Kym Ludvigsen Trophy for Viticultural Excellence was introduced to honour Kym's 40 year industry dedication and

influence, and recognises the role growers play in the production of the fine wines responsible for establishing, and continuing to advance the reputation of the Australian industry in the international market place.

The Victorian Trophy for Wines of Provenance recognises long term excellence, awarded to a winemaker achieving consistent high quality across three vintages with the same label.

With over 3183 wines entered for judging, assessing the wines is an enormous task and would not be possible without the dedication and commitment of the exhibitors and the panel of judges.

This year we welcomed Tom Carson as the new Chair of Judges for the event, a much celebrated winemaker and previous RMWA exhibitor and judge, whose expertise and insight has been, and will continue to be, invaluable to the development of the awards. We thank Tom for his dedication to this role.

The judging panel of 37 wine professionals and our three international guests Martin Moran MW (Ireland), Warren Gibson (NZ) and James Suckling (US), have dedicated their time and expertise to this event, for which the RASV is most grateful.

We extend a sincere thanks to the RMWA Committee for their time and support and in particular acknowledge the Committee Chairman, Phil Sexton.

The RASV is focused on providing opportunities for local producers to connect directly with consumers in mutually beneficial and relevant ways. The Uncorked winetasting event, held a week after the announcement of the RMWA winners on Friday 24 October at Collins Place, will allow for consumers to taste the trophy and medal-winning wines in a unique and personal experience. This event focuses on educating consumers on the value and importance of the awards and how they can assist with their purchasing decisions.

We extend our appreciation to our event sponsors Portavin Integrated Wine Services, Fiig Securities, Dan Murphy's, Exponet, Grays Online, Kubota, PSC Insurance, Rural Finance, RSN (Riedel), Hardie Grant Media and 3 Degrees.

And to you, our exhibitors, we thank you for your consistent dedication to quality and excellence and for producing world-class wines, as we have seen in this year's awards.

We look forward to another wonderful year of exceptional production in 2015.

Report on this year's show by  
**Mr TOM CARSON**  
**ROYAL MELBOURNE WINE AWARDS CHAIR OF JUDGES**

This year has marked another outstanding year for the Royal Melbourne Wine Awards (RMWA), with the calibre of entries making the judge's deliberation an exceptionally difficult task.

Taking on the role of Chair of Judges, I have been aware of the level of competition in this show, the best and most progressive in Australia, but have once again welcomed the increased standard of local wines to this event.

On behalf of the RMWA team including committee and judging panel, I congratulate all medal and trophy winners on your achievements and look forward to seeing how these results contribute to your future successes.

I also congratulate and thank all those who entered this year's awards, as without your support and participation this program would not be the premier wine event that it is.

I would like to take a moment to thank my fellow judges for their level of commitment to the process ensuring the credibility and validity of these awards to recipients. Their diverse expertise and

employed values ensures a level of consistency and benchmarking that is second to none. I would like to make particular mention of our international guest judges, Martin Moran (Ireland) and Warren Gibson(NZ), and the return of James Suckling (US).

The introduction of the Victorian Trophy for Wines of Provenance and the Kym Ludvigsen Trophy for Viticultural Excellence, have set yet another standard of excellence for those in the industry to strive for. With the Ludvigsen we acknowledge that the wine is only as good as the grapes it is produced from!

This year, the quality of the wines showcases the diversity of the Australian wine landscape. The results matched this diversity with trophies scattered across the country. The exceptional quality of the 2012/2013 vintages this year certainly made it a joy to judge.

I would like to acknowledge the hard work of the front and back of house team including Head Steward Marika Gorissen, stewards Kate Sturgess & Stephanie Jacob and the RASV Epicure team including Mike Conolly, Ann Houlihan, Elissa Barlow and Dani Tsaples whose commitment to this program has been exceptional.

I look forward to the continual strive for excellence within our industry and to another year of outstanding wines.

Presented by James Halliday Wine Companion

### **COLDSTREAM HILLS DEER FARM**

#### **PINOT NOIR 2013**

COLDSTREAM HILLS, YARRA VALLEY, VIC

Since its first vintage in 1985, Coldstream Hills has grown to be one of Australia's leading small wineries. Situated in the Yarra Valley, one of Australia's premier cool climate wine regions for Pinot Noir, the steep, close-planted vineyards lining the natural amphitheatre have become an icon of the region. Founded by this trophy's namesake James Halliday, it was James who back in the late 1980s first introduced single vineyard wines to Coldstream Hills. The tradition has continued with the release of the Single Vineyard range including the Deer Farm Pinot Noir which is produced by Chief winemaker, Andrew Fleming, along with fellow winemaker Greg Jarratt.

The wine is a light-medium crimson cherry red with a fragrant and perfumed bouquet. The French oak underpins the fruit aromas and is further enhanced with nuances of spice and whole berry savouriness.

### **OAKRIDGE 864 FUNDER & DIAMOND**

#### **DRIVE BLOCK CHARDONNAY 2012**

OAKRIDGE WINES, YARRA VALLEY, VIC

Oakridge Wines has been capturing the spirit of the Yarra Valley for more than three decades. Oakridge Single Block Releases are exceptional wines from specific and single blocks, produced in small quantities and released in the best years.

Simply named 864 after the wines' Coldstream address, the 864 showcases Oakridge's highly detailed micro-selections from the most exceptional single vineyard sites in the Yarra Valley. CEO & Chief Winemaker David Bicknell is the craftsman behind this multi award winning Chardonnay.

Oakridge will only bottle an 864 if they are satisfied that it ticks all the boxes for an outstanding wine and therefore in some seasons there may be no release of an 864 for a particular variety. The chardonnays from this block are united by their phenomenal high toned and unbroken acid line and their innate minerality. The palate is beautifully integrated and complex.

## THE KYM LUDVIGSEN TROPHY FOR VITICULTURAL EXCELLENCE

This trophy honours the 40 year legacy left by Kym Ludvigsen, whose passion and dedication to viticulture developed and advanced the landscape of Australian vineyards. This trophy in his name is recognition of excellence in viticulture and goes to the team behind the grapes that produce the single vineyard trophy winning wines.

### **864 FUNDER & DIAMOND**

#### **DRIVE BLOCK**

JOHN FUNDER & VAL DIAMOND

They say it's a team effort and in the case of the single vineyard 864 Funder & Diamond Block, this is an accurate description. The vineyard owned and operated since 2003, by retirees and wine enthusiasts John Funder & Val Diamond, is a true collaboration between Mario Pagotto, a retired salt-of-the-earth Italian farmer, wine consultant Steve Sadler and David Bicknell CEO & Chief Winemaker at Oakridge Wines who leads the team and keeps an eagle eye over the vineyard and block.

The exceptional Funder & Diamond Vineyard is a north facing block at 230 metres above sea level. The vineyard was close planted in the red volcanic soil of Wandin East in 1990. The result is a truly remarkable new world example that epitomises the rise of micro-terroir Chardonnay in Australia. Bicknell's 864s are wines of beauty and prestige.

Granite Hills lies at the northern extremity of the Macedon Ranges wine region. With 38 consecutive vintages the Granite Hills Riesling is widely recognised as one of Australia's finest cool climate Rieslings. As the state's viticultural expert he helped the fledgling industry through very difficult times during the late 19th and early 20th centuries

### **BAY OF FIRES, 2013 CHARDONNAY** PIPERS RIVER, TAS

The Bay of Fires wines were born of a desire to showcase the best possible cool climate varietal wines Tasmania can offer, combining fruit intensity, refinement and persistence of flavour.

The Bay of Fires Chardonnay is medium straw in colour with a pale green hue, this wine displays intense aromas of spice, white nectarine and preserved lemon. Beautifully integrated oak with a hint of lemon curd richness combines for a smooth delicate palate with mineral lemony acidity. The wine is integrated and seamless with a crisp acid finish adding juiciness to the wine.

## THE TREVOR MAST TROPHY FOR BEST SHIRAZ

Awarded for the first time last year, the Trevor Mast Trophy for the Best Shiraz recognises the lifetime contribution Mast made to the Australian wine industry. Trevor was a long-time winemaker at Australia's Mount Langi Ghiran winery and a legend in the Victorian wine industry for his visionary cool climate wine production.

### **S.C. PANNELL ADELAIDE HILLS SYRAH 2013** S.C. PANNELL WINES, ADELAIDE HILLS, SA

This is the second trophy win for S.C. Pannell Wines and the S.C. Pannell Adelaide Hills Syrah 2013. This cool climate Syrah was sourced from Echunga, 410 metres above sea level in the Southern Adelaide Hills. The fruit is grown on well drained granitic soil, Pannell's preference for Syrah. Pannell has called his award winning wine Syrah instead of the traditional Shiraz to pay homage to the style of wine made in the Northern Rhone Valley in France where it originates from. This Syrah is juicy, elegant and refined but importantly, still has an underlying sense of power and depth of flavour and beautiful tannins.

## THE BILL CHAMBERS TROPHY FOR BEST FORTIFIED

The Bill Chambers Trophy is named after Rutherglen legend, Bill Chambers, both for his contribution to Victorian fortified wine and his role as Chairman of Judges for 25 years with the Royal Melbourne Wine Awards.

### **MORRIS OLD PREMIUM RARE LIQUEUR MUSCAT** MORRIS WINES, RUTHERGLEN, VIC

In 1993 David Morris became the fifth generation winemaker currently reigning at Morris Wines. Combining 145 years of winemaking tradition with modern techniques David is the most awarded winemaker in Australia.

A wine style unique to Australia, this world acclaimed Premium Muscat is an example of the outstanding fortified dessert wines made from the Brown Muscat grapes grown on the Morris vineyards in the Rutherglen area of North East Victoria.

Only the best vintages of Muscat are selected for the Premium Muscat and all of the wines have won awards in the major Australian wine shows. In blending, a range of vintages are used, the older wines giving intensely concentrated luscious flavours and aged complexity and the younger wines imparting the fresh fruit character.

## NOTES ON WINE JUDGING

Wines entered into the Royal Melbourne Wine Awards are assessed by judging panels consisting of three judges and two associates. The Chairman of Judges divides the classes to be judged between the panels. He also gives guidance, clarification and in the case of any disputes he will adjudicate. The Chairman of Judges will have the final power to arbitrate the Awards.

The panels assessed each wine independently and "blind" with exhibits judged on a points score with a maximum of 100 points per judge. The judges then discussed the merits of each wine before the final assessment of each wine was made. It was at this point that an agreed panel score out of 100 was attributed to each exhibit and is published within this catalogue.

### **MEDALS ARE AWARDED FOR THE FOLLOWING POINTS:**

95 points and over = Gold Medal

90 to 94 = Silver Medal

85 to 89 = Bronze Medal

The "top" exhibits of each class were then re-tasted blind by the Panel Chairs and the Chairman of Judges to find the top exhibit of each class. Through this extra level of scrutiny the eligible wines to be judged for each trophy were found.

Judges may in their absolute discretion decline to appoint an award in any class. Awards may be withheld in any class where exhibits are considered unworthy or where the judges for any reason and in their absolute discretion decide that any award shall be withheld.

# Diversify your investment portfolio with corporate bonds.

**Just like it's important to have a range of good wines in your collection, a balanced investment portfolio should include corporate bonds.**

FIIG makes corporate bonds more accessible to private investors and SMSFs than ever before.

Corporate bonds in a balanced portfolio can preserve your capital and secure your income. They also reduce volatility, so you get a good night's sleep.

FIIG offers an extensive list of corporate bonds to choose from, that can be held until maturity or sold in the secondary market.

You can purchase directly in \$10,000 parcels, with a minimum account balance of \$50,000.

Choose from our model portfolios or select the bonds that suit your individual needs.

With either option, you're investing directly, not through a managed fund.

Best of all, it's easy doing business with FIIG. We empower investors with knowledge and insights to confidently invest in the fixed income asset class.

## Sowing the seeds for a brilliant agricultural future.

With a mission to support and promote excellence in Victorian agriculture, the Royal Agricultural Society of Victoria (RASV) is proud to announce the establishment of the RASV Foundation.

Created to support and encourage young, innovative, passionate professionals into the food and fibre industries, the RASV Foundation will seek to safeguard the future of Australian agriculture through the provision of scholarships to young people studying agriculture-related courses.

In addition to this, the RASV will also help develop their leadership skills and connect them with industry as they embark on their career paths.
