- Character and style (crimp in Huacaya; lock style in Suri)
- Density of staple (Huacaya)

- Clean fleece weight
- Age of fleece (time in months between this shearing and previous shearing, if any)

The Judge will score the fleece, taking all the above categories into consideration. The Judge will be looking for a well-presented, properly skirted fleece with lustre and the fine/soft handle of uniform micron.

The staple should have clear-cut formation throughout.
