Message from the CEO

Melbourne Royal® is delighted to publish the results of the 2023 Melbourne Royal Wine Awards and congratulate all the medal and trophy winners.

The Melbourne Royal Wine Awards is one of Australia's oldest and most respected wine shows recognising and rewarding excellence in Australian winemaking. The awards provide a highly respected platform for wineries to benchmark their wines against industry standards and receive valuable feedback from an independent panel of experts.

Established in 1884 with just thirteen entries, the Melbourne Royal Wine Awards have evolved and grown significantly over the past 139 years and this year we received 2,425 entries. We were delighted to receive entries from 420 wineries around Australia this year, which is an increase of more than 10% compared to last year. Thank you to all the wineries who entered Melbourne Royal Wine Awards this year.

Thirty-five judges, led by Chair of Judges Melanie Chester, provided their skills and expertise across five days of judging at Melbourne Showgrounds from Monday 16 - Friday 20 October. The 2023 judging panel consisted of exceptional industry knowledge and expertise, and I sincerely thank all the judges for being an integral part of the success of these Awards and providing your time this year.

I thank our Melbourne Royal Wine Awards committee for their ongoing advice, counsel and involvement. The commitment, enthusiasm and passion of Chair, Samantha Isherwood along with Melanie Chester, Matt Harrop, Emma Brown, Jeni Port, Mark O'Callaghan and Rohan Smith ensures the Melbourne Royal Wine Awards continue to evolve and remain highly valued and respected in the Australian wine industry. We greatly appreciate and highly value the time the committee members devote to the Melbourne Royal Wine Awards.

The prestige of winning a trophy in the Melbourne Royal Wine Awards continues to grow, particularly the François De Castella trophy for Best Young White Wine, the Trevor Mast Trophy for Best Shiraz, and the James Halliday Trophy for Best Pinot Noir. The trophy wine makers around Australia want to win is the Jimmy Watson Memorial Trophy for Best Young red wine. Winning the Jimmy this year will be even more special as we celebrate the 60th awarding of this revered trophy.

Innovation and inclusivity are the hallmark of the 2023 Melbourne Royal Wine Awards, as we adapt to changing times. Recognising the impact of smaller yields, we have reduced the minimum required held finished commercially packaged stock. Moreover, Melbourne Royal proudly becomes the first capital city wine show to embrace diverse wine packaging, accepting vessels beyond the traditional 750mL bottle.

Additionally, new single varietal red and white classes further enhance the competition, reflecting the dynamic landscape of Australian winemaking. These changes reflect our commitment to evolving with the industry, ensuring our Awards remain at the forefront of wine excellence.

We extend our sincere gratitude to our valued partners and sponsors: Presenting Partner Vintrace, Major Partners PLUMM and BevChain, Government Partners Agriculture Victoria and Drink Victorian and Trophy Sponsors Crown Resorts, SANECTOR, MCC Labels, Crafted ERP, Brunch Agency and the Seabrook Family. Their unwavering support is fundamental to the success and growth of the Melbourne Royal Wine Awards.

We are most grateful to all those who generously volunteer their valuable time to assist with the delivery of the awards as stewards and back of house staff. I also thank the Melbourne Royal team for the considerable thought, effort and commitment that went into organising and curating the 2023 Melbourne Royal Wine Awards judging and the Awards Presentation.

Congratulations to all the medal and trophy winners this year. Winning a Melbourne Royal medal is an amazing achievement and wonderful recognition for your expertise, passion and commitment to produce excellent wine. We trust that you will enjoy great value and benefit from your success this year by displaying the Melbourne Royal seal of excellence for promotional purposes and on packaging.

Melbourne Royal looks forward to celebrating and promoting the achievements of the Australian wine industry and continuing to provide a unique and valuable platform to inspire innovation and excellence in the future.

Chief Executive Officer

Message from the *Chair of Judges*

The Melbourne Royal Wine Awards celebrates excellence in Australian grape growing and winemaking, and the results for the 2023 Awards demonstrate the strength and diversity our industry is producing.

This year, 35 judges from across the Australian industry gathered with the rather daunting task of tasting just over 2400 wines and the delicious wines on the bench on trophy day were a testament to the talent and commitment of our viticulturalists and winemakers.

Reflecting on the judging week, there are a few standouts I wanted to highlight.

Alternative Varieties

This year was the first awards with separate varietal classes eligible for the Single Varietal White and Single Varietal Red trophies. The increase in entry numbers for varieties like Fiano, Grüner Veltliner, Nero d'Avola, Tempranillo and Malbec have meant we can judge them separately. These are some of the most exciting classes with varied wine styles and textures giving us real interest for each trophy. For example, the line up for the single variety trophy this year had an Albarino, a Fiano, a Grüner Veltliner and Grenache Blanc in contention! This was a super close trophy to call as these were four lovely wines with lots of personality.

The 2022 Vintage

The strength in general of the 2022 wines was very exciting to see. I tasted some knockout wines from the vintage. The 2022 Cabernet class were amazingly structural and concentrated, a fiercely competitive 2022 Pinot Noir class where the best wines showed perfume and extract. Again, this year, the Grenache class was a real pleasure, such yummy wines. The 2022 Shiraz class had more highs and lows, but the best wines in contention for The Trevor Mast Trophy for Best Shiraz were well measured and with careful winemaking.

We enjoyed the spoils of the cooler 2022 vintage in the white classes too. Rieslings were stunning again this year, with the judges pulling up some varied styles from across Australia. I am thrilled to see some producers carefully using phenolics and residual sugar to create super tasty and textural wines. This year we also saw some special Chardonnays – again a hotly contested trophy, with even the state trophies being a tight fought battle.

Blended Red Classes

The blended red classes continue to bat well above their weight for the Jimmy Watson. A lovely classic Aussie Shiraz Malbec, a spicy and juicy Touriga Blend and an aromatic Grenache Shiraz Mataro were all delicious. Again, from the 2022 vintage, each of these wines seemed to have a wonderful density and concentration of flavour to them. We could tell some careful thought goes into the viticulture and winemaking.

A big thanks to everyone who helped make the Melbourne Royal Wine Awards a huge success. Congratulations to the team at Melbourne Royal in Oskar, Amy, Darren, and Lily, as well as the wine show committee, led by Sam Isherwood. Thanks to the judges for a hard-fought week of hunting for the best wines. A special thank you to our Chief Steward, Simon McMillan, and all our stewarding team, who's smiling faces in the morning made my day. The ongoing support of our wine community is the key to continuing to elevate this award program every year.

Finally, a big congratulations to all the winners and exhibitors in this year's awards. Your hard work, innovation and commitment to excellence is key to driving our industry forward and these results make sure it doesn't go unnoticed.
